Above is my current Business Card that I had out to anyone who expresses interest in my gifted Acts of Wisdom to literally www.SaveAllNations.com

I even pointed the original www.TheTruthVault.com to the automatic Playlist of YouTube.com videos to help them go viral to the masses of humanity around our world.

All that has ever been required is for a SINGLE person in USA Government to represent my Constitutional RIGHTS.

On far left is terrorist ROSE. The second photo is Ms. Bashama aka Tammy Auston, guilty of conspiracies with Rose, Larceny per Marietta P.D. Report 1.11.2506.99, ID theft-fraud, Willful Obstruction of Officers and Justice, destruction of property, kidnapping per TPO 11.1.1171.99 Cobb County GA Feb 22, 2011, and alleged murder of Cobb County GA Judge Fabier in Sept 2011 prior to Keith being kidnapped Oct 3, 2011

Press Release and re-Broadcast. June 12, 2015.

www.UNlocracy.com

Here is the single SKYPE message sent to Brittany who I paid \$5,000 four months ago to get a single journalist contact Keith Duncan. Not a single person has ever contacted me back with any question related to the # of felony crimes committed against myself to cover up the OTHER crimes of so many OTHER criminals.

Right now I am studying <http://headmagnet.com/lists/62> heads of state. This will be one long single Broadcast paragraph since you no longer read emails or any of the most incriminating documents I have shown the world over and over. I have been using the most direct and powerful language to motivate everyone. Literally everyone. I have been coachable and appreciative of everyone who actually sees the overwhelm-

ing facts that I was indeed kidnapped, threatened with death (by forced medication to prevent my ever going to trial), and finally released (DISMISSED 4:11cr112 order) based on DISMISSED TPO 11.1.1171.99 dated July 15, 2011 as NO VIOLATION could have occurred Sept 25, 2011.

Even the USA Military supplied the N.C.I.C. report printed out in Nov 2011 (I have that copy also). It clearly shows CANCELLED TPO 11.1.1171.99. Why was that ONE N.C.I.C. report never shown to anyone. As soon as I was dumped on street a HOMELESS and DESTITUTE man, I went back to every single courthouse, every single crime scene, recovered each and every incriminating document and signatures. I got as many certified seals as possible. During those 848 days, I waited for the FIRST FBI or AG investigator to interview and release me INTO Federal Witness Protection Program. This extreme scenario remains 100% today.

That is why I have been calling the USA Military, AG, FBI, and every single person I can identify. And mass emailing key people, including Sally Yates, AG, FBI, and everyone I can identify who MIGHT be honest and see how many felony crimes have been committed by one TERRORIST. There is no stronger and accurate description. CHARACTER ATTACKS. I can NOT wait until the FBI and AG show all these documents under Freedom of Information Act. For character attacks is EXACTLY what ROSE has done by bribing and extorting so many people.

ROSE has never had ANY evidence at all that I stalked him or threatened him. He is a compulsive liar, compulsive psychopath homicidal maniac, and quite a few other 100% accurate psychological descriptions based on an exact set of persons I interviewed as well as my own personal experiences with ROSE. The only times I have ever seen ROSE (or AMY) was in court or during depositions. My method has indeed WORKED. Despite having all my resources stolen by criminals, I have recovered by using my extreme talents and last resources to literally COMMAND the USA Government do their jobs and STOP preventing any investigation of more than +100 specific persons all tied to ROSE by their own signatures.

I will BOLD the NEXT few LINES. **DO IT YOUR WAY. I DO NOT CARE AT ALL. ALL I CARE ABOUT IS RESULTS. I HAVE OFFERED EVERYTHING I HAVE ON PAPER, ON AUDIO, ON VIDEO (<http://www.TheTruthVault.com>) <http://www.IseeJustice.com> and assortment of other world changing solutions. I DRAW THE LINE AT BEING THREATENED BY SO MANY PUBLIC OFFICIALS WHO CAN ORDER ME KILLED AT A MOMENTS NOTICE TO KEEP THEMSELVES OFF OF NATIONAL NEWS. PITCH WHATEVER WORKS. I DO NOT CARE. I DO**

NOT CARE. I DO NOT CARE. Will three times repeated get this ONE message across..... after all this time. My methods have been everything I have learned and used my entire life.

If I could broadcast to the world, I would have more than seven years ago. These are the broadcasts I made at Emmaus, JerUSAlem west wailing wall, Zion Gate, Tel Aviv, and especially all over the United States and Rome Italy at the Vatican and each major historical site I have been visiting since I was DUMPED on street Jan 28, 2014. Not a single soul has sad, OH, We made a BIG mistake. We SEE you were kidnapped and that ROSE almost got away with murder at the hands of the Assistant Attorney General Dee Sterling, Judge Jackson, the Public Defenders Office in Norfolk VA, and by those two criminal B.O.P. Doctors (Dr. Jill Volin and Dr. Jean Zula) who routinely drug the HELL out of inmates for years to ensure their own tenure and promotions. Both were fired and let go back in September 2013. That is really the sole reason that I was released by orders of Dr. Williams.

Each and every person SAW the cancelled TPO 11.1.1171.99 dated July 15, 2011 They all turned away, said "GUARD, take him back to his cell, he clearly must be medicated since he is delusional and incompetent' That ONE WORD **INCOMPETENT** was used to deny Keith Duncan his liberty to SPEAK and ACT on these truths. How biblically odd that all these criminals are indeed INCOMPETENT to be our leaders. And that they are indeed IMPOTENT, have no balls, have no ethics, no honor, and certainly no respect for any one but their own sinister and vile means to torture helpless people PERSECUTED by the USA GOVERNMENT Judicial system.

Will this ONE single broadcast now motive YOU, then the NEXT person, then the ENTIRE world to actually TAKE ACTION. Certainly someone knows a Federal Judge, a Special Prosecutor, a criminal investigator, a journalists, a preacher, a publisher, even a third grader to learn what I have taught the world my entire life. I just boiled it down to THREE commandments on the top of <http://www.UNIocracy.com> I continue to REBUILD each of my shattered enterprises that still has no market exposure. Everyone I have shown these facts to has RIDICULED ME and turned away because they can NOT bear these truths.

The sequence is indeed one of the most bizarre and profitable conspiracies and sequential coverups in Atlanta, USA, even international recent history. Each and every time lined sequence event involved ROSE and PUBLIC Corruption at some of the highest levels of USA government legal and enforcement authority.

It has always been easy to see WHY I was at Langley. And WHY OSI Captain Christopher Weber never called me back at 9 am Sept 25, 2011 For that ONE date has historical significance as well as biblically fulfillment of prophecies of both the Books of Daniel and Revelations to the VERY DAYS shown on those pages of ACTS of WISDOM.

Yes, it is 100% true, almost everyone in the world looks for any excuse to not do their jobs. It is called Predatory Greed, Apathy, Cynic, Hypocrite, Skeptic, blinded fools, and of course..... criminal brood of vipers. That is enough for right now. This gets posted also. IN one fell swoop of the pen.. that is mightier than the sword..... I do not have time to create individual emails to THOUSANDS of Journalists hoping some one will finally pick up on a single story of regional, national, and yes, international value to all of mankind.

I should never have been arrested the very FIRST time back on Feb 22, 2011. The court transcript that no one has ever retrieved proves the FIRST of these 100% vindictive persecution by ROSE and all others. For ROSE continues to HIDE even BIGGER crimes than treason, espionage, murder, the list goes on and on.... I just got him for these capital felony crimes. How many more victims and crimes will all these criminals continue to commit until mankind is converted into the ultimate slave trading industry and food supply for the Criminal Ruling Elite.

For this will indeed happen. The criminals will grow human slaves for food. It makes economic sense for them. Or mankind will see and believe the POWER of GOD's words as clearly seen and broadcast on these multitude of ordained and biblically accurate scriptures. Seems most people hate the prime words: God, Church, Bible, Terrorism, Corruption, or other key words that turn off their brains since most of mankind are also liars by their own true nature.

Keith

END of Skype. Brittany sent me quite a few skypes last night that I replied to. She says she will never read another one of my emails, she is JUMPING SHIP and has better things to do that actually DO HER JOB. So I sent her above.

Then this one paragraph.

Here is the Demand letter I sent to Ms. Bashama through my lawyers to her lawyer Beau Worthington Covington GA. I even contacted him directly. Notice the date. The last document is when I was at Emmaus on exactly April 4, 2015 Good Friday and subsequent days for biblical reasons of scriptural fulfillment. This was the Mass service. They know why I was there also, just like everyone else I meet. Do you know WHY I AM HERE on EARTH now??? This is an easy answer for anyone to ask..... who is NEXT..... kbd

A real final broadcast is:

I have cash reserves of \$??? USD now out of original >\$1.4 Million USD in net worth. Actually more in Intellectual Property Rights that were indeed stolen by ROSE and Brian Walker as well as quite a few other criminals like my own lawyers Jimmy Deal, IP Attorney Clark Wilson who know has a seat on Georgia State Bar.

I have a little more stuck in banks and traveling emergency cash in case I am threatened again. I can leave on about 15 minutes notice and travel anywhere in the world. I have about 100,000 frequent flyer miles left. Since all the crimes that have occurred to me, and because I have turned EACH crime committed into a comprehensive solution to PREVENT corruption and most crimes in first place, I have always authorized you to proceed getting these solutions into the minds of the public.

Nothing else really matters at this point.

I will be reinvigorated in a few days, continue traveling this region rebuilding my shattered multiple enterprises that ROSE knew would make me untouchable by ANYONE. This remains the case today. I can make extremely great income and profits by so many different ways by EARNING my way back into regional, national, and international recognition as the one true Man of mankind/GOD who survived by trusting in GOD and just a few of his fellow mankind.

Websites were just updated with TheVeryEnd blog broadcast that shows I even filed Demand for Repayment to Ms. Bashama ONE day before I was kidnapped the first time on Feb 22, 2011. No one has ever asked for that ONE Cobb County GA 11.1.1171.99 transcript. It will cost about \$100 USD from someone. It will be GREAT to hear what Judge and Ms. Bashama said about me.

For the JUDGE forced me into jail that day, since I had all of Ms. Bashama's evidence in my briefcase in my SHACKLED HANDS and Judge refused to accept any evidence. he just listened to Ms. Bashama RANT and RAVE on the stand. Judge even refused to allow me to take the stand.

Just another 100% true example of how all my rights have always been ABUSED, DENIED, and I was forced to be silent, even now..... by so many criminals who are avoiding PUBLIC disclosure.....**K**

Below is broadcast from two days ago.

Brittany, (and others). Please send pitch for me. Your last emails said you were doing nothing but waiting for my products to actually be on the market before you would do anything. Or that an active lawsuit must be filed before anyone would take notice.

These are your summary words, not mine. You state that you read NO websites and look at NO Documents. So pass these 6 critical documents to your contacts. Easy to do. You have the relationships with people you trust. I can't dial and contact everyone. God knows I have tried, over and over...

Read to the end, for everyone else will. I publish everything I can on www.IseelunderStand.com that is now complete to date.

www.TheTruthVault.com auto-play list will go viral, as soon as journalists tell the public.

Even the Securities and Exchange Commission SEC will be thrilled to know ROSE is the ultimate Insider Trader. He steals his own client's data, overhears and sees any conversations and computer work in these pre-wired (bugged) luxury homes and condos. No one knows since ROSE owns and controls the entire building infrastructure including the light control systems through AMX and Crestron. I even have most of Rose's phone numbers, including his Vonage VOIP 404 474-4758 that I legally voice recorded back in 2007 and 2008 when Rose admitted to corporate fraud and felony crimes. Rose even promised to 'Take care of me' back in May 2008 when I demanded repayment or face lawsuit. He sure did 'TAKE CARE of ME'. He almost got away with paying off key USA Government officials to MURDER me re 4:11cr112 or keep me drugged and sedated at Butner NC. in solitary confinement for the rest of my limited days. Ask Dr. Jill Volin and Dr. Jean Zulu about their conspiracies with Judge Jackson of Norfolk VA and Dee Sterling (AUSAG) along with everyone else. See 37 list of criminal evidence for USA Military to go get, since FBI AG refuse to admit their own agencies are part of this full blown coverup of other conspiracies.....

Consider this the NEXT installment of the eBook HostageForProfit.com or name suggested below.

Google Gmail still will not restore hostageForProfit@gmail.com account despite 5 separate requests through their portal clearly stating that I did absolutely nothing wrong to violate their terms of service agreement. They have a robotic email reply system that routinely sends out form letters. I would LOVE to have any kind of response from the USA Government, PRESS, or Law Firm. None. DEADLY SILENCE for now 7 years.

If I did anything wrong, do you not think the USA Government would have filed lawsuit against me for something.

If I had actually stated anything that was slanderous or libel related, do you not think SOMEONE would have sent me a letter or filed a lawsuit. This has never occurred. NO ONE has ever filed a lawsuit against me. So HOW could I have been kidnapped Oct 3, 2011? Easy answer. ROSE paid off each and every person, and then paid off and extorted every other person who had HIS evidence. Read to end. As everyone else will, since I publish almost every irrefutable fact.

Near perfect timing. I am sitting here concentrating intensely on Book and Movie Rights as well as calling the HLS, NSA, USA State Department, DOJ again and again. I include calling the USA Military again and again as I have multiple times, sometimes even when I was in HELL Oct 3, 2011 through Jan 28, 2014 as soon as I retrieved critical national security information from the SAME Court Documents and research I paid outsiders to provide to me. Hard to do, SITTING in HELL, waiting for next person to threaten myself, never knowing if I would be killed during transport or by some drugged out inmate, especially at Butner NC where this is the #1 way for BOP and Attorney General to force inmates to be civilly committed for life. It happens all the time. I even has personal testimony from over 50 inmates that I have kept on letters they wrote for any journalists to SEE and BELIEVE these 100% Truths.

'Do or Die for Justice' is a great eBook, paperback, even hard-copy title for the 100% true life experiences of a true man of God who can not find a single honest person in USA Government, the Press, law firms, churches, and most of the public to see and believe any single irrefutable document, transcript, legally acquired business records/ voice-audio recording, and etc.... resulting in the absolute most vile and villainous real life conspiracies orchestrated by one super criminal terrorist.

Rose never declared bankruptcy of HomeWaves.com. He shut it down Nov 2010, I have video of him transferring all assets of Homewaves.com Lightlogics.com Secure Inc to an tractor trailer truck for transport down to his other \$1.5 Million building held by Einstein Holdings Inc (another R.I.C.O. criminal front) registered as 17 different criminal entities with GA Secretary of Georgia Corporation website. Most of these companies disappeared in year 2010 and 2011. This is impossible without paying off someone inside their data center.

THEREFORE, all of my original LIEN claims and rights to Real and Punitive Damages are reality. Just need a Judge and/or Law firm to fill the correct paperwork. Easy to do since I have always completed each and every felony charge with all evidence. See at-

tached files that are just part of the full scale conspiracy and resulting continuous coverups by so many in Federal Government.

In printout above, Rose does not mention his crime centers service clients up and down the east coast and in the Bahamas. That was current as of year 2007. Notice that ROSE states in business since 2003. How can this be when Angie's list shows: 11/17/2011

Look at the date of year 2011. I was in HELL at that point in Cherokee County GA Jail being threatened daily by everyone, including my own family, my own lawyers, and of course Judge Mills, Drain, and eventually Judge Ellen McElyea. Rose registered Caribbean Supply Services Inc on Nov 4, 2010 in state of Florida (near Elgin Airforce Base Fort Walton) as Forsyth County Judgment 08SC-1345 was finally issued to Keith Duncan on approximately Oct 15, 2010. Title liens were immediately filed the same week. I have the court documents from Lawyer Jimmy Deal (770)-263-7200) Norcross GA and filed with multiple courts to prove each and every criminal fact and that ROSE paid off everyone to suppress the #1 criminal evidence signed by ROSE. This includes over \$5 Million USD in Bahamas contracted goods and services in summer of 2007 that I have on Homewaves General Ledger HWIgl.pdf given to IRS lawyers and IRS back in fall of 2008.

Just WHO do I send this #1 criminal conspiracy investigation ? Everyone is DEADLY silent for now +7 years. I truly do not expect to survive the criminal onslaught for too many days/weeks. Only God and a few others know why I am here, of course... As I have already given it to EVERYONE, including CONGRESS, INTERPOL, IRS, FBI, USMarshal, AG, the PRESS, and of course churches and the PUBLIC.

1. Just the EVRose0*.pdf file attached proves these points as the second page is dated year 2011 as I sat in HELL waiting for FBI and AG to finally come get me. I even applied for Federal Witness Protection Program in Sept 2011 based on log book entry at USA Federal Courthouse 75th Spring Street, Atlanta GA 30303 on approximately Tuesday, Sept 13, 2011 at 4 pm. I have a record somewhere.

2. Just EVRose1*.pdf file attached shows two counts. Why did original unsigned, undated arrest warrant only show NOV 2010 stalk based on Aug 22, 2011 Cobb County TPO 11.1.7683.99 criminally granted restraining order based on the SAME Video that was legally acquired Nov 14, 2010 (yes year 2010) and never shown in court despite my vehement objections. How could the exact SAME video, never shown in Cherokee County Court be used to force Keith Duncan, under threat of DEATH, to plea bargain out as Judge Ellen McElyea and my \$27,500 lawyer Ross Grisham (Canton GA) promised me personally in court that I was GOING home that very day in Jan 2012.

The court transcript recorded everyone's conversation each time I was shackled and dragged into court with ZERO representation of my rights. This continues as 100% through today, June 10, 2015.

3. The DISMISSAL of Cobb County TPO 11.1.1171.99 dated July 15, 2011 is certified. It proves 4:11cr112 should never have been approved by Grand Jury Dec 2011 upon false testimony of ATF William Bank. AG Sally Yates group had no evidence to sign it Dec 13, 2011 as I sat in HELL. I even had promises that a US Marshal Francine ?? would rescue me in Cherokee County Jail since my outside sources told me that ROSE as being manhunted as Amy Rose was under house arrest at her Alpharetta GA 30004 \$2.4 Million USD mansion. Rose was holed up at the Clifton Ranch as Federal agents had video surveillance on both homes. I knew this in Dec 2011. This is still critical evidence, along with over 100 Court Documents, all pointing at ROSE.

4. The 37List of critical Court Documents and evidence FROM ROSE and from many, many others ALL point to ROSE. and NEVER mention Bashama's TPO 11.1.1171.99 connection or the Marietta P.D. 1.11.2506.99 clearly listed on top right of this CANCELLED restraining order.

5. Here is the one, original Larceny report that NEVER stated \$32,000 USD stolen. It was forged four times. It even states CLOSED on bottom line of first page. How can a police report be CLOSED the exact same day it was filed. Even Judge Fabier (now murdered in Sept 2011) personally told me on Tuesday, Feb 8, 2011 that it was OPEN and an active investigation. He refused to sign the two arrest warrants I provided to him along with the OTHER criminal evidence.

6. excluded. over 10 mbyte limit. List of original evidence of I gave POLICE, the JUDGES, and my own lawyer Berry Vic Reynolds.

7 and 8. Are photos from FineHomeTechnologies.com of Mike Briggs home in Cumming GA. He is the retired UPS executive who I contacted and personally visited many times. Mikes home is the \$10 Million USD log home with \$1 Million USD of ROSE's full electronic systems under ROSE's continuous control. Mike will be OVERJOYED to learn his is one of ROSE's prime unknown victims. So will the other condo owners and visitors to crime center Ocean Place Condos, Paradise Island Bahamas per direct contact with Al Ballard who ROSE owes over \$8 Million USD from way back in 2007 timeframe. Over \$5 Million USD is on the Homewaves General Ledgers BOOKS that I gave IRS back in Fall 2008 through Vivian Hoard. It was entered, financial statements run, then REVERSED off the books, just like other MILLIONS of none reported profits.

The absolute #1 QUESTION I have always had is this:

In GENTILE speak, WHO IN HELL in USA GOVERNMENT or even PRESS, should I send the #1 Criminal Investigation in Atlanta/USA/even international history? This is so, so easy. All the criminals evidence is recovered, certified, indexed, cross referenced, time lined, and has always been ready and available for first Judge, Special Prosecutor, USA Military Investigation Team, FBI, AG investigators to actually start arresting over 100 people directly tied to Robert Dee Rose by their own signatures.

The absolute clear #1 REASON of why I was at Langley AFB was to debrief USA Military Intelligence that they were being cyber attacked. I was asking them to contact FBI and AG offices in Atlanta and Washington D.C. I really should have stopped by J. Edgar Hoover Building on Sunday, Sept 25, 2011 late afternoon. I was on I-95 south returning from 6 days in New York City completing research on inner city violence and poverty. I had solutions for these prime issues then. And even more now..... No one seems to care about poverty, homelessness, slave trading institutions known as jails and prisons, or even self-genocide of the human race. These are easy to see and believe from my altitude and attitude about the ultimate human condition called 'Predatory Greed'..... as well as my extensive knowledge of biblical scripture and astute observations of the world around us.

Clearly, ROSE cyber stalked and tracked my car, my electronic communications, my phone calls when I went to Langley Air Force Base Sept 25, 2011 Sunday evening to get an appointment to re-enter the next morning. ROSE had arrest warrant signed at 9 am Sept 26, 2011 just as I called OSI Capt Christopher Weber on his cell phone (757)-764-5087 and waited until noon. My hotel receipt and phone records from (770)-289-3050, 770-289-3089, and later Brian Walker's cell phone over next 2.5 years will show ROSE contacted the same people I had visited and called. NSA, FBI, CIA, HLS can easily pull all of my phone records and see who ROSE has called. I have all of ROSE's original cell numbers and even his Bahamas numbers.

I have been personally visiting, calling, emailing, eFaxing, and publishing each and every criminal fact for now +7 Years using www.SolutionFinal.com as everyone's re-starting point.

The world changing solutions are now complete. No compelling reasons or objections have ever been avoided to NOT gift these to Humanity. The public can easily see the

BBK20150610-Broadcast-TotalCorruption-250-SoldOff-HostageForProfit.pdf Friday, June 12, 2015
Quad-Trillions USD/EUROS/RBM/Pesos/etc of economic, legal, and financial damage drain from all classes of society to the 'criminal ruling elite'.

I have LEFT NO CRIMINAL EVIDENCE UN-REPORTED. This is SolutionURL.com that few have read.

It allows all citizens to monitor everyone else. Very little government oversight will ever be needed, since citizens manage their own affairs and shun the criminals who refuse to confess their crimes and pay back restitution in order to be moved from CRIMINAL side to SAVED side of the URLiDent.com database. This is so easy to accomplish, since I gave it to Interpol Jan 8, 2015 and just contacted Russian Government again, just last night. They will be thrilled to notify the USA government of the level of public corruption that exists inside the halls and walls of USA government Justice...

Brittany, I do expect you will get extreme pressure from someone in USA government who tells you to suppress all evidence. This has happened over and over. Rose can not bribe everyone. Lord knows he tries.....

So WHY am I here on Earth.

a most perplexing question for the world to answer. I am here..... in lower case..... bolding representing all of mankind as well as God's sovereign ownership of his creations, who include each of the 7.32 billion of his people.

just WHO Do I deliver the #1 conspiracy case and evidence to now?
